## **Day 2: Trust and Faith**

Welcome to Day 2 of 7. Today we want you to know the role trust, also known as “faith”, has in building a relationship with Jesus. You cannot have a healthy relationship without trust or faith. The bigger your faith is, the deeper the relationship. What Jesus wants most is a relationship with you that is characterized by trust, faith, and confidence.

**APPLY:** Pray this prayer: Jesus, help me trust You more! Read Hebrews 11:6 <https://my.bible.com/bible/116/HEB.11.6.nlt>
