

# 21 DAYS OF PRAYER

## **Day 9:**

### **Focus for Today:**

*Today take some time to pray for the impact The Ridge has in the communities around it. You could pray that The Ridge's reputation in the communities surrounding each campus would reflect God's love for these communities. Pray that our compassion for people in our surrounding communities would increase in proportion to God's love for them. Consider praying that through The Ridge that more people in these communities would come to find and follow Jesus and connect to a local church. Pray also that God would expand our influence to new communities around us. Pray also that all that we do as a church continues to be more about Jesus and expanding His kingdom than it is about us.*

### **Daily Scripture:**

*Matthew 6:10: "May your Kingdom come soon. May your will be done on earth, as it is in heaven."*

### **Prayer Example:**

*Father, I come before you today and thank you for The Ridge. I thank you for the influence You have given us as a church in the communities around us. I pray for the reputation of The Ridge in these communities would reflect Your love for them! I pray that our compassion for people in our surrounding communities and beyond would increase in proportion to Your love for them. I pray that through The Ridge more people in these communities would come to find and follow Jesus and connect to a local church. I pray also that You would expand our influence to new communities around us. And most of all I pray that all of this becomes more about You and expanding Your Kingdom than it is about us. In Jesus name I pray, Amen.*
