

Day 16. TALENTS

Romans 12:6: We have different gifts, according to the grace given to each of us.

Question: Why do you think God has given you the gifts he has?

Prayer Example: Father, thank You for the ways You have gifted me. I know the gifts and abilities You have given me are not for myself alone but designed to point people around me toward You. Help me to make the most of the gifts, talents and abilities You have given me. Use me this year to impact others around me through these talents.
