

Day 21

Daily Focus

Today take some time to be silent before God and seek how He wants to use you to impact the community around you. You could begin by praying briefly about your role in how God wants to use you to impact the community around you. Find a quiet place to focus. Take some time and be silent listening for God to speak to you. Consider walking around your neighborhood or visit a park in your community as you pray and listen to God today. Continue to pray that your love for people would increase more and more!

Daily Scripture:

1 John 4:19: Our love for others is *our grateful response* to the love God first demonstrated to us.

Prayer Example:

Father, I thank you for this 21-day prayer journey and your work in my life through this time. Guide me in the days and weeks ahead to continue to connect with you and to continue seeking You through prayer. I pray for my community that I live in and how You desire to use me to impact it. Guide me and direct me to use the gifts and talents You have given to me for the needs of others in my community and to develop a heart of love and compassion that reflects Your heart for people. Empower me to invest intentionally in “my one” and others around me. Direct my thoughts and my mind as I seek You in this. (Take some time to be silent before God). Thank You God, for Your work in my life! In Jesus’ name I pray, Amen.
