

Day 19. COURAGE

Matthew 10:32: Whoever acknowledges me before others, I will also acknowledge before my Father in heaven.

Question: Why do we sometimes hide our faith?

Prayer Example: Lord Jesus, I thank You that You accept me as I am and have brought me into a relationship with You. Help me to become aware of the subtle ways I sometimes hide my faith in You from others around me. Help me to replace timidity with courage. May my life actively display the faith I have in You. Grant me wisdom in how to apply courageous faith in the right ways at the right times.
