

PRAYING INTO EASTER

April 10

Focus for Today:

Today we will be focusing on compassion to others in creating a lifestyle of worship. You may want to start by reflecting on God's compassion especially in your own life. You could pray that God would increase your compassion for others and clothe you in compassion. Consider praying for compassion to become an ongoing way of life for you. You could also pray that your group and our church would continue to grow in compassion for the world around us.

Daily Scripture:

Colossians 3:12: Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience.

Prayer Example:

Father, I thank you for the many ways you extend compassion to me, especially through the sacrifice of Jesus and forgiveness of my sins. Help me to become more aware of this characteristic in my own life. I ask for greater compassion in my heart for those around me. Lead me into an ever-growing expression of compassion in my life that reflects Your heart for people. May our church continue to collectively grow in our expression of compassion as an act of worship to You. In Jesus' name I pray, Amen.
