

PRAYING INTO EASTER

April 4

Focus for Today:

Today our focus will be on the role dependency on God plays in our relationship with Him. Like yesterday, you may want to consider fasting today in some manner (this could be a partial fast such as skipping one meal to focus more on God or fasting all food, all day, or fasting particular habits for the day, whichever direction you choose use the time you would take doing these other things to spend with Jesus). As you fast throughout the day reflect on how much you rely on yourself or on God in all areas of your life. You may want to consider making the verse for today your prayer throughout the day as an act of worship.

Daily Scripture:

John 15:5. "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing.

Prayer Example:

Father, today I pray that You increase my awareness of You and how dependent I often am on myself instead of You in areas of my life. Jesus, You are the source of everything in my life and I am like a branch connected to You. Help me to stay connected to You and live a life that reflects You. Help me to realize that without You, the things I do will not have lasting value. In Jesus' name I pray, Amen.
