

PRAYING INTO EASTER

March 30

Focus for Today:

Today our focus will be on rooting out envy in our lives. You may want to consider areas of your life where you are drawn to envy others or jealous of what others have. This could be in the area of finances, or possessions or family/relationships, or even something like success. You may want to reflect on what contentment in these areas of your life would look like. It may be helpful to focus on the words, "I have enough."

Daily Scripture:

Philippians 4:11-12. I am not saying this because I am in need, for I have learned to be content whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want.

Prayer Example:

God, I have enough. These are hard words that I need to practice, yet true words that can transform me and my desires. By faith I choose to believe, that You will supply every need of mine according to Your riches in glory in Christ Jesus. I have enough because I have You. You are enough. In the name of Jesus I pray, Amen.
