

PRAYING INTO EASTER

March 26

Focus for Today:

Today we will focus on developing an understanding that God cares about all the details of our lives. Do you sometimes get overwhelmed with certain things and then think that these difficulties aren't within the scope of God's responsibility? As if He has specific areas of expertise, outside of which He can or will do nothing? For example, do you perhaps think...Ok, God can do anything, but why would He be concerned about my car's broken engine? Why would I ask Him to intervene about the problems with my co-workers? Or maybe you think, nothing I'm currently experiencing is important to Him. In addition to continuing to hand over anxiety and worry to God, we encourage you to spend time today and be honest with God about the small details of your life knowing that God cares about those as well.

Daily Scripture:

Matthew 6:25-26. "Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?"

Prayer Example:

Father, I acknowledge that You can do everything and that nothing is impossible for You! I also acknowledge that You know everything better than I do...Even if I don't always understand what You're doing or allowing, I choose to trust You. Again today, I place my hand in Yours because I want to walk with You. Help me to accept what I can't change and release everything to You. My expectation and hope are in You. In the name of Your Son, Jesus, amen!
