

# PRAYING INTO EASTER

## **March 24**

### *Focus for Today:*

*Take some time to pray at the start of your morning. You may want to seek God for an important decision that needs to be made or for direction or clarity in your life, or other events that may be ahead of you for the day. Whatever requests you have, take some time at the start of your day to seek God about these and know that God hears our prayers. Commit to starting each day from now through Easter by seeking God, His voice and His will.*

### *Daily Scripture:*

*Psalm 5:3: In the morning, LORD, you hear my voice; in the morning I lay my requests before you and wait expectantly.*

### *Prayer Example:*

*God, I come before you today and seek you, your guidance and direction for my life. Help me to connect with You throughout the day today and focus more on Your guidance and direction for me today and everyday. Throughout all the events, details and distractions that may occur for me today, may I remain aware of You and Your presence. Help me to make the most of this day as I seek You. I pray that seeking You at the start of my day becomes a habit in my life for me not just from now through Easter but for years to come.*
